# Twenty five years at Monroe High

A BUILDING, no matter how beautiful, is but a building, until the people who make it their home give to it a part of their lives. In 1923 Monroe Junior High School, new and beautiful, awaited its first dwellers. The doors opened to receive the first teachers and students in September. Bulletin boards were decorated, desks littered, books arranged in cupboards, and filing cabinets filled. The rooms and hall swelled with excited gossip of new activities and studies. With each new year came new people and of each of those who left something remained, enriching the wealth of knowledge and pleasure that is Monroe's. Now, in its twenty-fifth year, Monroe High School continues to mold and influence hundreds of lives. Thousands have come and gone, their lives somehow changed because of their experiences in this building. It is in this way that Monroe has lived for the Seniors, will live for the entering Freshmen, and for the many students who will in the future contribute their experiences to the story of Monroe.

# To the future of Monroe

THIS is our school,  
Not the much fingered text,  
Exams, the classrooms.  
These we soon forget.  
But this, the indelible,  
Which we,  
Though memory be lost,  
Shall carry life long  
In our hearts and ways,  
Enduring relic of these  
Precious years,  
A heritage of knowledge  
and of truth.

Now we today,  
Seeing how much this school  
Has meant to us,  
Hope that tomorrow's class  
That history and pride  
May also know.  
We leave to it,  
The standards of the past,  
The glory and achievements  
Yet to dare.

MISS MARY A. SHEEHAN  
*Principal*

In spite of the fact that she has been principal for only two years, there can be no doubt that Miss Sheehan has brought to us a new awareness of the world in which we live. Although many duties and interests demand her time, she is never too busy to aid a student to solve his problems. She has always sought to raise the already-high Monroe standards. Her students will always be proud of having known her.

In one short year we have learned to know and appreciate Mr. Berman. His patience and understanding have won our affection. We hope that this year will be but the beginning of a long, successful career for Monroe's vice-principal.

# In Memoriam

WALTER WILLIS

There is no need to remind Monroe students of Mr. Walter Willis. Since Monroe's beginning no pupil has left Monroe without having in some way benefitted by his counsel. He dedicated his life to aiding young people in developing worthy ideals and moral courage. No man can contribute so much to the lives of so many without being remembered. His death this year left us all with the sad realization that we have lost a valuable counselor and a faithful friend.

# Story of the Seniors

When the class of '49 first entered Monroe, our country was engaged in a terrible war. Throughout that war and the years of peace following it, the senior class has learned how to work and play in ways of democracy. Perhaps with that training they have received in Monroe, its members will go forth better equipped to meet the crises arising in this time of indecision. This has always been the mission of Monroe—to send its students into the world better citizens than they would be, not having attended it.

Each year the "GRRR fight" kids keep things hopping at all basketball and football games and instill a lot of color while going about their task of raising morale while they raise the roof. The cheerleaders are always behind the teams on both good and bad days, encouraging and supporting them. Soon after the beginning of school the cheerleaders are chosen by representative teachers and students. They are chosen on the basis of requirements that a cheerleader must display such as poise, coordination, grace, voice and personality. Many of the cheers we hear were originated by our own girls and exemplify the spirit of the Monroe cheering squad. Junior cheerleaders are selected each year for reserve sports.

The varsity basketball team finished with ten wins and eight losses this season. West High's champions were the only team to defeat the Redjackets twice, but splits with several teams accounted for the low standing. On several occasions the cagers defeated top teams in thrilling games. Madison's win skein of ten straight was broken in a great game, and East High, traditional rival, was defeated in a tight game. Monroe broke even in the the Brighton Hi-Y series by virtue of an overtime decision and gained the trophy for a half year. The reserve basketekers finished close on the winning side of the ledger with a 7-4 record in league play, and divided two games with Brighton's Jayvees.

The Wallace-coached swimming team this year splashed to wins over five opponents while dropping verdicts to three. Marshall's perennial champs, the Edison Tech squad, and West High gained wins over Monroe's fishmen. A nucleus of veteran swimmers combined well with a good turnout of new material to form a winning aggregation. The squad reached their season peak when they achieved a Sectional second place, beating all the city schools except Marshall.

Accidents and illnesses forced the cross-country team from their championship trail of recent years and placed them fourth with a record of 5 won and 3 lost. The reserve puffers placed third.

The wrestlers fought their way to a respectable .500 record of four wins and four losses. The team was well galanced in the weight divisions and many members fared well under intense competition.

When the dust had settled on the cinders at the finish of the 1948 track season, Monroe's thinclads found themselves commanding second place in the league with seven victories and a lone defeat. Sonny Bellucci and Bob Nesbitt were outstanding.

# Racqueteers

Monroe's tennis team fared well against the offerings of rivals in the 1948 season, losing only to Marshall and finishing in a second place deadlock with Franklin. Number-one-man Bob Burnham snatched the city singles championship while Frank, Fulreader, Alexander, and Nicely were outstanding.

The keggers this season were unable to keep their high-ranking status of previous years. Several meets were bowled with only three members present and the blind score gave away points.

*First row: J. Baird, R. Housmann, T. Williams, D. Bell. Second row: A. Crowder, W. Newcomb, A. Aldrich, E. Willison. Absent from picture: R. Painting, Captain.*

Intra-mural basketball is a sport that allows boys of all ages healthful participation and competition. The three leagues are based on age and grade and the games and play-offs are coordinated under the direction of Mr. Ralph Blair. The eighth grade league is composed of homeroom teams. The intermediate league is formed by ninth and tenth grade boys who choose their own teams, and eleventh and twelfth grade boys comprise the senior league, choosing their own teams.

The senior league champion this year was Painting's Kappa's who won out in the playoffs. The Kappa's won the regular season title and were joined in the playoffs by Schifano's Buckeyes, Goodwin's Schmoos and McCarthy's Mac's. The intermediate champion was Moran's Redjackets with Nesbitt's Hustlers, Potter's Eagles and Fal-Kenstein's Tigers close behind. Homeroom 163 won the eighth grade laurels.

The girls' sports program at Monroe is one that varies, offering several sports for each season. From the pool to the playground, all sports have been met by keen interest and enthusiasm.

The program is set up so as to promote the participation of many. Individual sports, such as riding and swimming, are encouraged, as well as those sports which involve team work. The team, however, is perhaps the most important factor in the program, for the importance of the activity of all team members, acting as a unit, is stressed.

The Girls' Athletic Association, with Joyce Townsend as President, Gretta Bergh as Vice-President and Sophie Boyatzies as Secretary, has become especially active during the past year. The Association is made up of girls who represent the different sports. It is this organization that is responsible for planning the play days with other schools. These play days give our girls a chance to prove their skills on a competitive basis as well as to make many new acquaintances. The council is continually striving to bring the best in sports to Monroe.
