## FRIENDSHIP

The happiest business in the world  
Is that of making friends,  
And no "investment" on the street  
Pays larger dividends.  
For life is more than stocks and bonds  
And love; these rate percent,  
But he who gives in Friendship's name  
Shall reap as he has spent.

Life is a great investment  
And no man lives in vain,  
Who guards a hundred Friendships  
As misers guard their gain.  
Then give the world a welcome,  
Each day, what'er it sends,  
And may no mortgage e'er foreclose  
The partnership of friends.

Oregon State Grange - 1936.

### CO-OPERATOR

"Hornets work together; so do bees. A bee hive is a wonderful testimonial to what working together - each for all and all for each - can accomplish. Ants are also co-operators, and every ant hill testifies to the result-giving powers of cooperation. A wise man once was asked, "Which is the most important leg of a three-legged stool?" So you see all three are necessary and all the members of an organization, working together, and with others, are sure to accomplish great things."

National Grange Lecturer,  
Edward F. Holter

My sincere gratitude goes out to the officers, committees and members who have so willingly and generously given their time, skill, and able seamanship to help the S. S. Friendship of Webster Grange launch an interesting and fruitful voyage in this historic year - the Civil War Centennial.

Erva W. Smith, Lecturer
