Dear Students:

The arrival of the Athena Junior High School yearbook, "REFLECTIONS", is an exciting time for our school. Enclosed are photographs of friends, activities, and some of the lighter sides of your educational life. We are also reminded that our school year is drawing to an end.

I hope that the 1986-87 academic year was one of great accomplishment and challenge that it was a time in which you will reflect back to think about your personal growth and memories of the fondest of times. You will be the last students to attend Athena Junior High School, for in September, the name becomes Athena Middle School.

For those students who move onto high school, I wish you all the very best life will have to offer. For those students who will be staying, I hope you will accept the new challenges in a new school structure.

Best regards to each and every one of you.

Sincerely,

Doug Skeet
