CENTENNIAL

1846-1946

A Short History

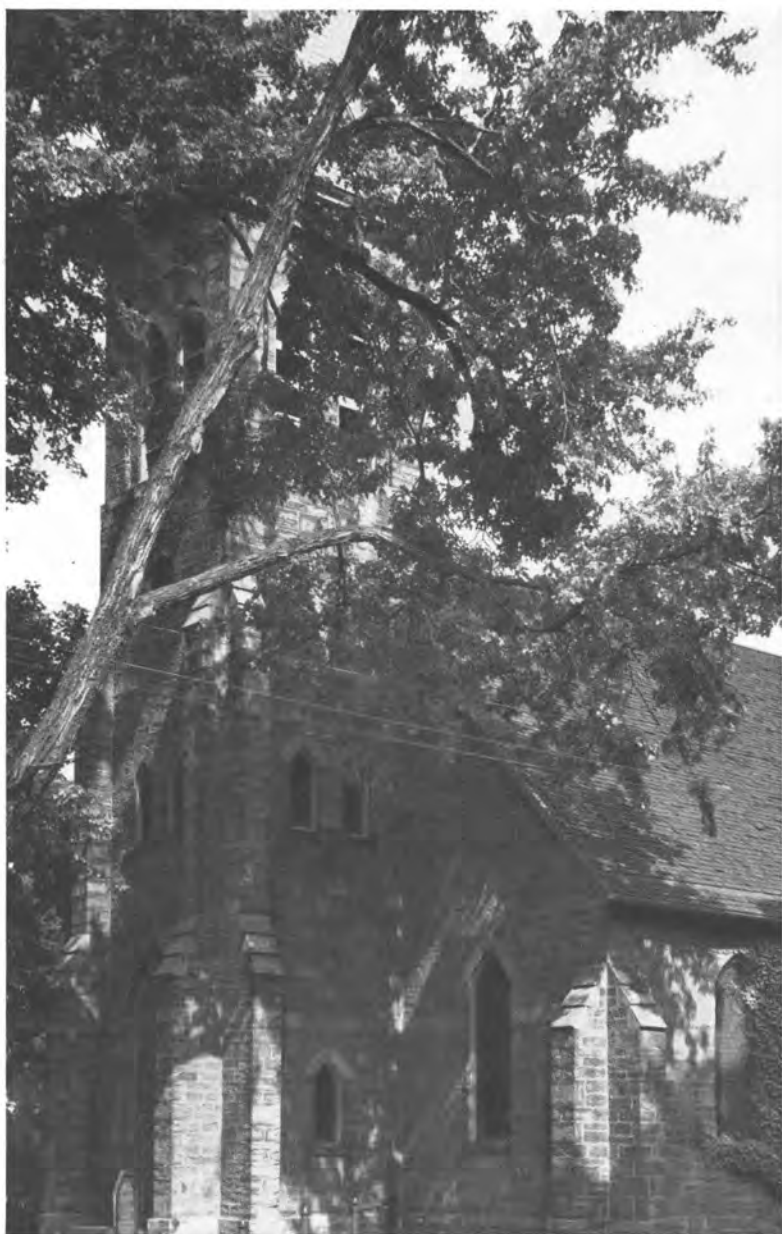

OF

Christ Church

of the

Village of Pittsford, N. Y.

1846-1946

FOREWORD

THE Centennial of Christ Church is the occasion for humble rejoicing by every member of the Parish. We are humble because we cannot measure the debt we owe to those persons, who through these hundred years, by their stalwart faith and unceasing loyalty have built and maintained this Church and its ministry, which today is our rich heritage. To all those parishioners of the past years, whose names and Christian deeds are too numerous for us to mention, this little volume compiled by Mr. Warren W. Allen is gratefully dedicated.

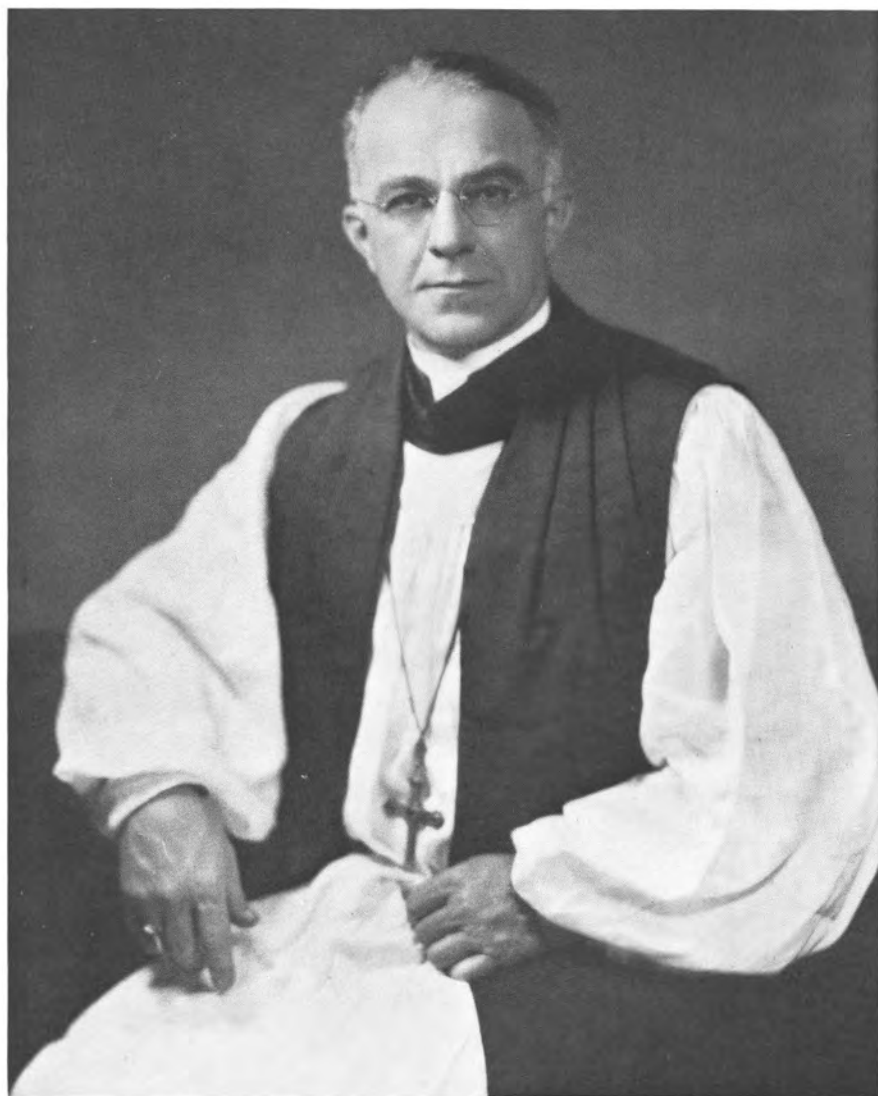

We rejoice that now, in turn, we have the privilege of building for those who will follow us. We thank God for all that Christ Church has meant to this community and to the world in the spreading of the Gospel of Christ.

Sustained by an exciting faith in the power of the Living God, we are confident that through the next century, with God's help, this Parish will continue to build His Kingdom. The words of Dr. William Carey, the famous missionary to India, are a fitting motto for us, as we look to the future: "*Expect great things from God; Attempt great things for God.*"

May God's blessing be upon us all, as we share in the joys and privileges of our Parish Church.

The Rt. Rev. BARTEL H. REINHEIMER, D. D., LL.D.
Bishop of the Diocese of Rochester

Greetings

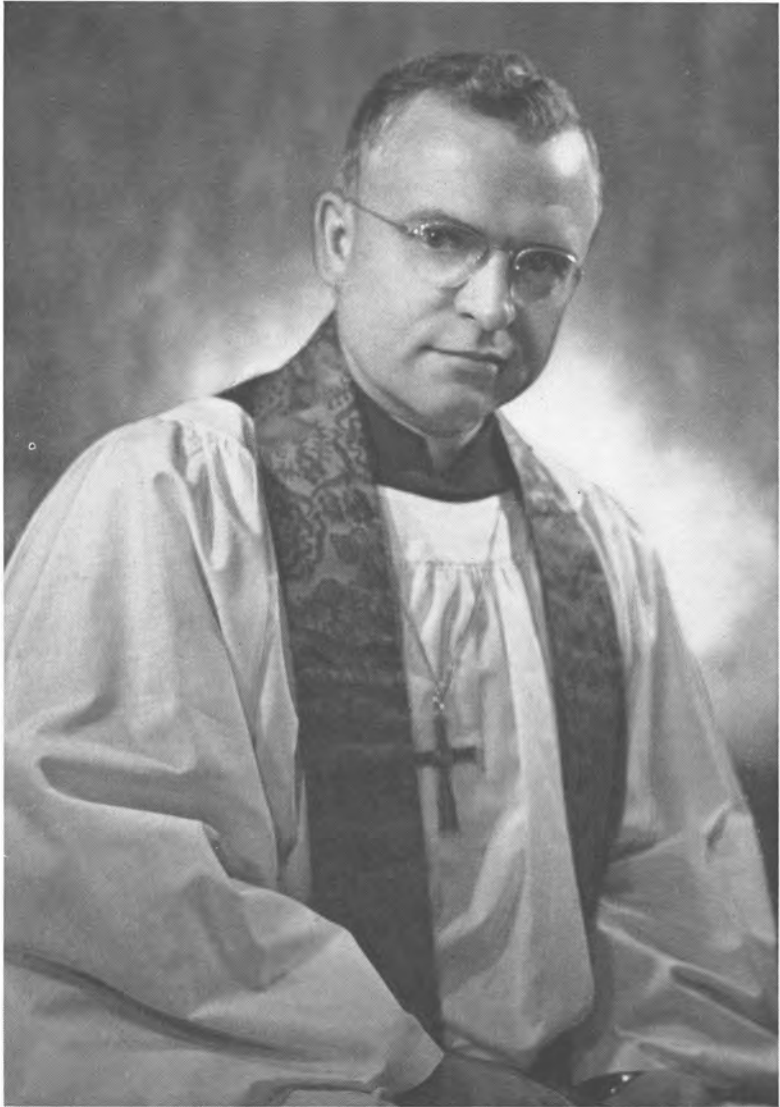

IT is a joy and satisfaction to salute the Parish of Christ Church, Pittsford, on the occasion of its Centennial Celebration. I am indebted to my predecessor, Bishop DeLancey, for the testimony that the century began well for Christ Church and I have my first hand observations to witness that it ends well. Addressing the Convention of the Diocese of Western New York in August 1846 he was able to report that "a new church edifice is in progress of erection at Pittsford," and the following year he reported that although a full time ministry was not inaugurated at Pittsford until March 1, 1846, he was called upon to consecrate the new church on December 1st of that year. That certainly was an energetic beginning. The life and purposes of the Parish at the opening of the new century of endeavor match the spirit of its founders.

God Bless and prosper you in the ongoing fellowship of your Parish dedicated in the name of his glorious Son our Saviour.

Faithfully your Bishop,

Bentley H. Reinheimer

The Reverend ERNEST F. SCOTT
Rector of Christ Church

Beginnings

SHORTLY after the return of Colonel Hopkins' regiment from the War of 1812 and eight years before the opening of the Erie Canal, Pittsford had its first Episcopal service. For almost two decades Pittsford had been a thriving community. It had the distinction of having the first library, the first school, the first lawyer, and the first physician in the whole county. True, its name had successively been changed from Northfield to Boyle in 1808; from Boyle to Smallwood in 1813 and from Smallwood to Pittsford in 1814, but it was the same "mother town" of all Monroe County. Settled in 1789 by Simon and Israel Stone and a year or two later by the Revolutionary War veteran, Captain Henry Gale who came from Massachusetts, Pittsford was known throughout western New York for both its attractiveness and enterprise.

Sometime during the summer of 1817 the Reverend H. U. Onderdonk, Rector of St. John's Church in Canandaigua and later to become Bishop of Pennsylvania, preached in the village at the request of several families. Mr. Onderdonk, as had many of the good people who invited him, traveled the old Indian Trail leading from the foot of Canandaigua Lake up over the site of the Seneca Village on Boughton Hill in Victor, down through Bushnell's Basin and thence to Pittsford. It is interesting to know that in September of the following year Bishop John Henry Hobart, third Bishop of New York followed the same trail and conducted services in Pittsford's 1794 school house.

The opening of the Erie Canal in 1825 made the village an important produce shipping port and brought heavy migration from the New England States. New houses and stores were erected and the several hotels and taverns entertained many famous men. DeWitt Clinton made Pittsford his headquarters for much of his canal exploration work. In 1825, Lafayette, the aging hero of the Revolution, left the canal at Pittsford, to be taken by carriage to Canandaigua. Later Daniel Webster and many other notables experienced the hospitality of the "white village."

While on several occasions during this period the Reverend

The Reverend HENRY LOCKWOOD
First Rector of Christ Church

William H. Eigenbrodt, Rector of St. Paul's Church, Rochester, conducted services, it was not until January 7, 1844 that the Reverend Henry Lockwood of Honeoye Falls began regular services.

To Reverend Lockwood, who later became the first Rector of the parish, Christ Church owes a great and lasting debt. No history of the church would be complete without mention of the early years and sacrifices of the man who so unselfishly served the parish during three separate periods and so gave more than thirty-five years of his life to Pittsford. Miss Grace B. Lockwood, his granddaughter, is still living in Minneapolis, Minnesota and has many delightful memories of her grandfather and her childhood days in Pittsford and in Christ Church where she was baptised. Born in 1807 and

educated and ordained at the General Seminary in New York, Reverend Lockwood was greatly influenced by a classmate, Augustus Foster Lyde, the originator of Episcopalian church work in China. In the "Story of the Church in China" it is recorded that shortly after his ordination, Henry Lockwood, with Reverend Francis R. Hanson, Rector of Christ Church in Prince George's County, Maryland, became associate missionaries. Together they took passage on a six-masted schooner and sailed from New York on June 1, 1835. At that time, in order to reach the Orient it was necessary to round the Horn, which meant a journey for the "fabulous year and a day." Letters from Reverend Lockwood published in "The Spirit of Missions" from 1835 to 1839, are many in number and extremely interesting in content. China at that time was a most difficult field. Landing in Batavia, Isle of Java, the missionaries were immediately called "fan Kidei" meaning "Foreign Devils." After establishing schools and holding services in Java, the missionaries went to Macao, Canton and Singapore. Reverend Lockwood became a fluent speaker and preacher in the Chinese language. Living conditions, particularly among the "opium trade" were extremely hazardous and the fortitude necessarily exhibited by both men undoubtedly did much to mold their future lives.

Influential Pittsfordians, who were instrumental in bringing Mr. Lockwood to Pittsford included William Vought, Rodney Rogers, Sylvester Parker and John Acer, all of whom were communicants. The first services were held once a month, then every three weeks and later on alternate Sundays. The stone schoolhouse afforded the first place of meeting. Toward the beginning of the year 1845, the upper story of a brick building on North Main Street, formerly used as a blacksmith shop and located where the Wiltsie Memorial Library Building now stands, was converted into a place of worship. The first Communion Service was celebrated on January 12, 1845. In February 1846, larger quarters were provided by the purchase of the brick building on South Main Street now owned and occupied by Hicks & McCarthy. A chancel and vestry were added and pews sufficient to accommodate about one hundred persons were installed. The first service in this building was held on Sunday, September 6, 1846.

After Bishop William H. DeLancey had given his canon-

ical consent in Geneva on October 1, 1846, the Reverend Lockwood, with the men of the congregation, organized the parish on November 2nd under the corporate name of "Christ Church Pittsford in the County of Monroe." (Monroe County Clerk's Office, November 14, 1846, in Liber One of Religious Incorporations, at page Ninety-five). At the incorporation meeting, Sylvester Parker and Abraham Vought were selected as Wardens. The Vestrymen included David Haywood, James Vought, Ezra Acer, Thomas Parker, Chauncey Porter, Alexander Voorheis, John Acer and Thomas Havelock. The old church building was consecrated on December 1, 1846 by Bishop Delancey at a service long to be remembered by those in attendance.

During these past one hundred years the Church has experienced both prosperous and lean periods. At times discouragement was a real factor. Always, however, hard times were followed by an awakening of parish life which constantly made for stronger and firmer roots so necessary to its great contribution of today.

In October 1849 with the coming of the Reverend W. S. Childs from the Diocese of New Hampshire, the congregation purchased and installed a new organ.

The Reverend John A. Bowman's rectorship, which started in April 1860, saw the secession of the Southern States, the inauguration of Abraham Lincoln as President, the fall of Fort Sumter and the start of the Civil War. Pittsford for years had had a definite and decided viewpoint toward the slave question. The large red brick house at 52 South Main Street, now the home of Mr. and Mrs. Theodore C. Briggs, was known in 1861 as the "Hargous" house and for several years prior to the war, the spacious cellar hid many a fugitive negro bound for Canada and freedom. The members of the Hargous family were all communicants of Christ Church. The Union Army took many of the younger men and on September 15, 1861 Reverend Bowman resigned to become a Chaplain in the 13th Regiment, New York Volunteers. At this time there were 58 communicants and 142 persons in all, connected with the Church.

The present church edifice was constructed during Mr. Lockwood's third term as Rector. On October 1, 1867, the northeast corner of South Main and Locust Streets was pur-

chased from Abraham Vought. Building contracts were given to Mr. Hiram Kingsbury of Honeoye and the cornerstone was laid on June 19, 1868. The first service in the new church was held on February 7, 1869 and the completed building was consecrated by Bishop Arthur Cleveland Coxe with appropriate ceremonies on May 20, 1869. The original cost was \$7,500 and the tower was prepared for the later reception of a bell and clock.

Six of the original glass windows were eventually replaced by rich memorial windows which add greatly to the beauty of the interior. The large window back of the altar was given in memory of Bishop William Heathcote DeLancey. The other five windows are memorials to Elizabeth Rees Lockwood, William Grandlin Vought, Mrs. Hannah W. Acer, Mrs. Commodore C. K. Garrison and Duane Guernsey. The Garrison window was made in France and features the life sized figure of Mrs. Garrison as she appeared some years prior to her death. The beautifully carved memorial altar was presented by the ladies of the church in memory of Mrs. Cathalina L. Lockwood. It bears the inscription, "Do this in remembrance of Me." The pipe organ was installed in 1879 and contributed much to the beauty of the service.

Reverend Lockwood died during the pastorate of Reverend W. D. Shearman. His passing came on November 21, 1883 in his 77th year and he was buried from the church on November 23rd. Clergymen from several parishes in the Diocese, as well as a great many of his friends both within and without the church, mourned his loss. He left a fragrant memory of devoted service and pure character to all who knew him.

The church bell weighing 3540 pounds, and the clock which strikes the hours, were installed by the children of Mrs. Susan Hargous in her memory. In the summer of 1888 very extensive repairs and improvements were made to the church. A wood shingle roof was substituted for the old slate roof and all timbers were strengthened and repaired. The interior was remodeled and the plaster ceiling was replaced by a wood ceiling. When this and other work was completed, a beautiful marble font was placed in the church by Mr. Chauncey H. Porter and others in memory of Mr. and Mrs. Hargous. Soon afterwards, the brass cross and vases were added to the appointments by the family and friends of

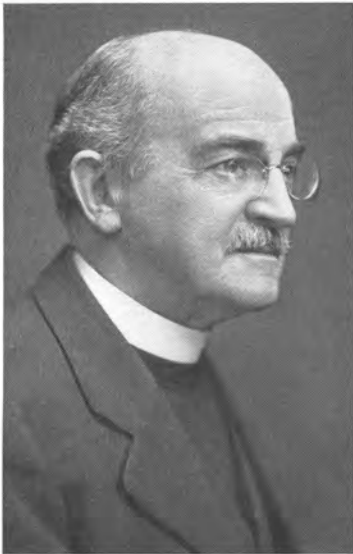

Christ Church Choir, 1911

Reverend Lockwood. The first baptism in the new font was that of George A. LeBoutillier, infant son of the Rector, on March 5, 1889.

During the latter portion of the Reverend H. L. Wood's Rectorship the Vestry purchased the Parish House. "Purchased" rather than "constructed" is the proper word, for the building was brought from St. John's Parish, Rochester, which is now St. Paul's. The Sunday School was given a real impetus with this addition.

The surpliced choir was introduced by the Reverend Lewis Gouveneur Morris in 1899, and in 1902 Mrs. William Appleton gave the land for the Rectory and shortly thereafter the building was constructed. In 1906 the Vestry arranged for the installation of the electric lighting system in the church which made a great improvement.

Bushnell's Basin Mission, known as St. Peter's, was established by the Reverend Stephen H. Alling, who served the

church from 1908 to 1913.

One of the more successful periods in the life of Christ Church was under the guidance and direction of the Reverend W. L. Davis, who served from 1920 to 1929. From the annals, for example, we find that the annual meeting of 1924 was held on January 28th and despite inclement weather, 150 people were in attendance. The Treasurer of the church reported \$5035.45 received for all purposes and exhibited a chart showing increases of \$1347 during the previous four years. The number of subscribers increased from 86 to 141. It was also during Mr. Davis' ministry that the General Endowment Fund was established.

During the early 1930 depression years the church suffered both financially and in numbers of communicants. Christian faith, however, was strong and under the kindly guidance of the Reverend Henry Stevens Gatley who served his second Pittsford rectorate from 1934 to 1938, the difficult years ended with a remarkable unity of purpose and harmony of action. St. Peter's Mission, after a long and rather rocky road, was finally sold in April 1938 to the Independent Congregational Church of Bushnell's Basin and all efforts of Christ Church were concentrated in Pittsford.

Today

AT a special meeting held at the Parish House on Monday, August 29, 1938, the Vestry with Warden Alson Shantz presiding, received the acceptance of the call extended on August 1st to the Reverend Ernest F. Scott, assistant at St. Paul's, Rochester. In addition to Warden Shantz, those in attendance included, Warden Philip Rand, and Vestrymen Harry Knickerbocker, Robert Vincent, Edson Miller, Lee Rogers, Jesse Carter, Donald Thomas and Earl Place. At the request of the Vestry, several members of the Ladies' Auxiliary also attended. Reverend Scott began his duties on September 15th.

Mr. Scott brought to Christ Church extraordinary abilities. Gifted with a sound and vigorous mind and the temperamental urge of the preacher, he has the inestimable ad-

vantage of possessing a strongly developed pastoral instinct as well as abounding enthusiasm for his chosen work.

Since September 1938, the church has moved steadily forward. The number of communicants has risen from 142 to 296 and the number of children and teachers enrolled in the Church School has risen from 48 to 144. The total budget, including salaries, property maintenance, reserve for replacements, Episcopate and Diocesan expenses and missions is in excess of \$6,000.

World War II took 49 parish men and women into the various branches of the service. Devotion to the great cause and of course the resulting strain were apparent on every hand. Two members of the parish, William H. Briggs and Bruce A. Rylott, made the supreme sacrifice and throughout the years of the conflict, the church continued to be the foundation of hope. Starting with the War Bond Drive in the Fall of 1943, more than \$4000 Series "F" and "G" Bonds were purchased for and in the name of the church by members and friends. Special prayer and thanksgiving services were held on "D" Day, on "V-E" and "V-J" Days and at other times. The church, as is always true, was open daily for prayer and meditation.

Now that hostilities are over and with all countries so desperately anxious for a lasting peace, the church is most cognizant of the role it must take. In June 1946 the church purchased the adjacent property on South Main Street. Plans are being made for the ultimate construction of a new Parish House so sorely needed. Within the next few months the church will have a splendid new double console organ, given by Mr. and Mrs. Theodore C. Briggs in memory of their son, William H. Briggs. Mrs. William L. Davis has recently had new cathedral lights installed in memory of her husband, the former rector.

The year 1946 culminates in the celebration of the One Hundredth Anniversary of Christ Church. It enters its second hundred years with confidence and abiding trust that with God's guidance it will continue to play a vital part in the life of the community.

The Server's Guild is composed of Howard Campbell, Robert Vincent, David Sutherland, Walter Way, Walter Carter, Lansing Scofield and Derek Tatlock. All are faithful in their duties assisting the Rector at the Altar.

Choir

Mrs. Eugene Satterlee was the grand lady of Christ Church choir. It was her inspirational leadership and untiring effort for many years which did so much to make music the integral part of the service. It would be impossible to name all of the splendid men and women who have been identified with the music of the church. Any history of the choir, however, would not be complete without the mention of a few names long associated with its membership. Mrs. Elwood Bonhurst has served thirty years as organist. Mr. F. G. Barnard, Mrs. Alson Shantz, Miss Ruth Anthony, Mrs. Theodore Briggs, Mr. Harland Spiegel, Mrs. Dwight Wetmore, Mr. Robert Vincent, Mr. F. Lee Rogers, Mr. Jesse Carter and Miss Katy Jane Shantz are but a small group of those who have contributed time and talent. To all who have been a part of the choir, Christ Church will always be grateful.

The Woman's Auxiliary

<i>President</i>	MRS. W. L. DAVIS
<i>Vice-President</i>	MRS. F. LEE ROGERS
<i>Secretary</i>	MRS. ROBERT GREENFIELD

The Men of Christ Church

<i>President</i>	WARREN W. ALLEN
<i>Vice-President</i>	BRUCE F. TATLOCK
<i>Secretary and Treasurer</i>	HAYWOOD PARKER, JR.

The Men of Christ Church, organized in the spring of 1946 after formulating plans had been completed by a committee under the Chairmanship of Robert V. Matthews. Its purpose is—"Worship, Service and Education." Its motto—"Go and do thou likewise." Enthusiastic preparations are being made for at least four meetings each year.

The Young People's Society

<i>President</i>	HOWARD CAMPBELL
<i>Vice-President</i>	PAUL KNICKERBOCKER

The Young Peoples Society was organized in 1929. It meets on the third Sunday of each month for a Corporate Communion and breakfast. There has been an average attendance of 30 at each of these services during the past year.

General Endowment Fund *and the* Appleton Legacy

During the period 1925 to 1928, various sums of money were given to the church without specific instructions from the donors as to what use was to be made of the funds. In 1928, the Vestry decided to establish a general endowment fund and to engage a professional trust company to supervise all investments. The resulting trust agreement was written not only to include the money then on hand but also for sums coming in the future not designated for any special purpose.

The fund now totals over \$12,000 and the known sources from which this amount was received are as follows:

Estate of Mrs. Annie Rand
Estate of Mrs. Olivia M. Satterlee
Estate of Mrs. Jane Reeve
In Memory of Mrs. Catherine Baird
Estate of Mrs. Annie E. V. Abbs
Mrs. Blaine Davis Memorial
In Memory of Mrs. Mae Malone Salter
Estate of Miss Julia A. Minnebeck
Estate of Miss Elizabeth Nelson
Rev. W. L. Davis Memorial
Estate of Mrs. Susan B. Carnahan
Fraser Scott Memorial
Miss Nettie F. Lamb Endowment
Mrs. Mary Martin Gilbert Memorial
Miss Katy Jane Shantz Memorial

The income from the Blaine Davis Memorial was earmarked for the use of the Altar Guild and to supply flowers for the Altar on the Sunday nearest to the anniversary of Mrs. Davis' death. The income from the Katy Jane Shantz Memorial is also designated for Altar Guild usage. Total income from the Trust during its eighteen years has amounted to \$5,488.93. This had made for an average of \$303.90 per year or approximately \$6.00 per Sunday. The Trust has had an average principal amount of \$9,612 and the net interest has averaged about $3\frac{1}{8}\%$. At present, the fund is practically all invested in United States Bonds yielding $2\frac{1}{2}\%$ interest.

The Appleton legacy was created by Mrs. Nina Appleton of Boston, a one time resident of Pittsford and member of Christ Church. Her will which was probated in 1922 recited a bequest of \$3,000 to the church with instructions that income only thereof be used for the maintenance and perpetual care of the tower clock and bell. Any balance not needed for these purposes was to be turned over to the Rector for his personal use. The clock and bell therefore have had excellent care during the past 24 years. On the other hand, prevailing low interest rates make for very little if any surplus.
