You are presented this program with the compliments of Honeoye Falls Grange No. 6, with the emphasis on No. 6.

---

The coincident of our Grange is that it was started with 34 members and the Juvenile Grange was started with the same number of members.

Also the farm where this anniversary was held was owned by the first Master, John M. Davis at the time the Grange was organized.

---

The advertisers in this book are all friendly toward the Grange and are worthy of your patronage.

## HONEOYE FALLS GRANGE ALMA MATER

Tune: "Wait For The Wagon."

(1)

We sing about an Order  
The farmer loves so well;  
An Order strong and friendly;  
Its praises we will tell.  
The farmer works and worries  
And it isn't very strange  
That he seeks recreation  
At the meeting of the Grange

Chorus

Bring out the auto,  
Bring out the auto.  
Step on the starter and  
We'll all go to Grange.

(2)

Our lives are very busy,  
We've little time for fun;  
We find retirement easy  
When each day's work is done.  
But we consult our program,  
Our business we arrange  
And on the date of meeting  
We all go to Grange.

(3)

When the matrons serve a supper,  
They serve the very best;  
Each patron greets the table  
And then fills up his vest.  
So praises of our Order  
We sing in loudest strains  
And ask our Heavenly Father  
To ever bless the Grange.

(Written for the Grange by  
James M. Heath.)
