DON'T GO EMPTY-HANDED

to an event like this—take along your camera and shoot pictures. With the snaps or slides you take now, you can save the fun to enjoy again in years to come. So, get your camera off the closet shelf and take it with you. Save your pleasures . . . in pictures!

FOUR SURE-FIRE WAYS TO IMPROVE PICTURES AT LOCAL EVENTS:

- 1. Keep your lenses clean** with lens tissue or lintless cloth and lens cleaner.
- 2. Move in close** to eliminate unnecessary background detail.
- 3. Hold the camera steady** and squeeze the shutter release.
- 4. Use fresh, dependable KODAK Film** for best results, roll after roll.
