

NEW KODAK EKTALURE E PAPER

New white base for wedding gowns that sparkle. New fine-grain lustre E surface to hold fine detail—perfect for wedding albums, wallet photos. Great for oil coloring. Use it for any job that calls for a warm-tone, white-base paper. Single and double weight.

**NEW
KODAK
PANALURE PAPER**

Improved panchromatic paper for black-and-white prints from color negatives. Half-grade higher contrast, half-stop faster. Whites are cleaner, too! Single weight F and double weight E.
