**WAYS TO MAKE
BETTER PRINTS**

175 different combinations of surface, stock tint, printing grade, and weight, available in Kodak black-and-white papers, are shown in the KODAK Master Darkroom DATAGUIDE. Count for yourself. Take full advantage of all these creative possibilities—all with Kodak uniformity built in. The KODAK Master Darkroom DATAGUIDE also has a wealth of useful information on any and all other phases of darkroom work. See us for a copy.
