

Color can be this easy: With
the unbeatable Kodak drum,
you roll out Ektacolor prints
in 7½ minutes!

Kodak Rapid Color Processor, Model 11

- Motorized drum color processor for 8x10 and 11x14 prints on KODAK EKTACOLOR Paper.
- Simple to operate. No larger than your over-night bag (only 2½ square feet). Weighs just 16 pounds.
- Fresh chemicals (4 ounces each of 5 solutions) used for each print. Consistent results. No waste.
- Color has never been quicker . . . or better.
