

Farewell to you and the youth I have
spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness,
and I of your longings have built a tower
in the sky.

But now our sleep has fled and our dream
is over, and it is no longer dawn.

The noontide is upon us and our half
waking has turned to a fuller day, and we
must part.

If in the twilight of memory we should
meet once more, we shall speak again together
and you shall sing to me a deeper song.

And if our hands should meet in another
dream we shall build another tower in the
sky.

from "The Prophet"

Friends Silently

I raise my cup to the blueness of the sky,
To the greenness of the leaves,
and the sweetness of the wine.

This is the way that it should be
for me.
Sitting with friends silently.

Wishing wells, a penny in your hand.
Over your shoulder and
you're in another land.

Walking meadows of clover,
all over.
Watching the sun set with you.

This is the way that it should be
for me.
Sitting with friends silently.

School Hymn

Hail to thee Rochester
Hats off to you
Ever you'll find us
Loyal and true
Firm and undaunted
Ever we'll be
Hail to the school we love
Here's a toast to thee
