Anthem "THE STAR-SPANGLED BANNER"

Oh! say, can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched, were so gallantry streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh say, does that star-spangled banner yet wave
O'er the land of the free, and the home of the brave.

Great Architect, to Thee we raise
With joy our grateful song of praise.
Crown Thou our labours with success,
And with Thy grace our Master bless,

May peace be with us evermore,

May we in harmony combine,
And let, O Lord, the praise be Thine.

So mote it be.

"LORD GOD OUR MASTER BLESS"

America

Lord God our Master bless	May wisdom from on high
With health and happiness,	Bind fast our mystic tie,
So mote it be.	So mote it be.
May he our laws defend,	May we united stand,
Our power for good extend,	And join throughout the land,
Our Master, guide, and friend.	With apron, heart, and hand.
So mote it be.	So mote it be.

Hymn

"GOD BE WITH YOU"

God be with you till we meet again!
By his counsel guide, uphold you,
With his sheep securely fold you;
God be with you till we meet again!

Chorus

Till we meet! Till we meet!	God be with you till we meet again!
Till we meet at the Master's feet;	When life's perils thick confound you,
Till we meet! Till we meet!	Put his arms unfailing round you;
God be with you till we meet again!	God be with you till we meet again!

God be with you till we meet again!
Keep love's banner floating o'er you,
Smite death's threat'ning wave before you;
God be with you till we meet again!
