## CLASS SONG OF 1929.

Tune—"Gypsy Love Song."

We've passed through our happy years in High School,  
Faithful in work and in play;  
Making plans and building for the future,  
Striving day by day.  
Teachers all have helped us in our studies,  
Showing us the way,  
Memories throng around our joyful school life.  
We leave them all today!

Future bring us many joys and sorrows;  
We know not what we shall meet.  
E'en though we could glimpse into the future  
We would not retreat.  
Farewell all our school mates and our class mates,  
E'er the steadfast sort,  
Do you think we ever will forget thee?  
Dear Old Spencerport!

## CLASS POEM

"Out of the harbor into the deep"  
Classmates, we must set sail,  
Fond are the mem'ries that we shall keep  
Through days of calm and of gale.

If the compass of truth shall point our way  
And God shall our Pilot be  
We need not fear for the parting day  
When we venture out to sea.

Four years together we have been,  
And now as our school life ends,  
We know these years have ushered in  
Knowledge and loyal friends.

Time brings its changes we all know  
With many a smile and sigh  
But a warm spot in our hearts will glow  
For our dear old "Spencerport High."

"Out of the harbor into the deep"  
All life's problems to face  
Through sunshine and storm may each one keep  
A straight course in the race.

## ALMA MATER

Tune—"Maryland, My Maryland"

We'll sing of thee our school so dear,  
    Spencerport, dear Spencerport.  
We'll ever praise thee with good cheer  
    Spencerport, dear Spencerport.  
Then how our hearts with rapture swell,  
With love for thee no tongue can tell,  
And fondly in our hearts will dwell,  
    Spencerport, dear Spencerport.

We'll sing your praises with good will,  
    Spencerport, dear Spencerport.  
Our praise will ring from rock to rill,  
    Spencerport, dear Spencerport.  
Our hearts go out to teachers true,  
Each day with zeal their work pursue,  
That your fair name be kept in view,  
    Spencerport, dear Spencerport.  
The days are passing swiftly by,

    Spencerport, dear Spencerport.  
We long to catch them as they fly,  
    Spencerport, dear Spencerport.  
To comrades true we'll say farewell,  
To meet again; Ah who can tell,  
Then let us all the chorus swell,  
    Spencerport, dear Spencerport.
