ANNOUNCEMENTS

Men! Do not forget the unusual opportunity which begins for you today in the Men's Class which Dr. Branton will teach. There are classes for all others, too.

The public is invited to share in the Vesper Service this evening at 7:30.

The girls of the Sunday School taught by Miss Vernice Grant have made a map which gives the address and location of our service men and women. It is displayed in the rear of the Church. Write to one of them today.

The new bulletins come to us through the courtesy of Miss Grace Cosgrove and other members of the staff of Leo Hart and Co.

Intermediate Choir Tuesday. No Senior Choir.
