The new scenery was made by the Class of 1940 as a gift to Spencerport High School. Robert Mercel had charge of the carpenter work.

Produced by Special Arrangement with the Samuel French Company, New York City.

The Class of 1940 would like to express its appreciation to all those who have in any way aided the production of this play, especially to Mr. DuBois for the direction, and to Miss Porter and Mr. Olmsted, its two advisers, for the many helpful suggestions and aids they have given. Also to the Spencertown High School Band, Mrs. Bentley and all others for the music furnished between the acts.
