Nature

THE bubbling brook doth leap when I
 come by,
Because my feet find measure within its
 call ;
The birds know when the friend they love is
 nigh,
For I am known to them, both great and
 small.
The flower that on the lonely hillside grows
Expects me there when spring its bloom has
 given ;
And many a tree and bush my wanderings
 know,
And e'en the clouds and silent stars of heaven ;
For he who with his Maker walks aright,
Shall be their lord as Adam was before ;
His ear shall catch each sound with new
 delight,
Each object wear the dress that then it wore ;
And he, as when erect, in soul he stood,
Hear from his Father's lips that all is good.

Meeting Hours

WE wish to call your attention to the fact that the afternoon meetings of the Grange during the months of January, February, March and December (except the first meeting in January) will begin promptly at 2 P. M. and the Lecturer's program at 3 P. M. All other meetings will begin at 8 P. M. and the Lecturer's program at 9 P. M.

During the past year the time was carefully adhered to, and we shall endeavor this year to be equally punctual.

The Librarian, Miss Lova Walter, wishes to say that she will be in the library before and after the regular meetings. I trust that you will avail yourself of the opportunity to get books at these two particular times; and also see that your books are returned promptly at the next meeting, which will greatly aid Miss Walter with her work.

Then be content, poor heart;
God's plans, like lilies pure and white,
unfold;
We must not tear the close-shut leaves apart,
Time will reveal the chalices of gold.
And if, through patient toil, we reach the
land
Where tired feet, with sandals loosed,
may rest,
When we shall clearly see and understand,
I think that we will say, "God knew the
best."
